

The vita for this member of the Reading Hall of Fame, who is now deceased, was submitted to the then office of the Reading Hall of Fame housed in the headquarters of the International Reading Association while this individual was still active in our profession. Hence, the vita may not include a complete delineation of the individual's professional contributions across a lifespan. The vita is simply what was available for uploading as of the summer of 2018. Still, it provides current and future scholars with a valuable primary source on the professional endeavors undertaken by this respective member of the Reading Hall of Fame.
